

Why your sponsorship is very needed

Out of the 100 million children in the world living on the streets, 1/2 of them are in Latin America.

21% of the population in Honduras lives on less than \$1 per day.

Only 51% of Honduran children finish primary school. Only 8% go to college.

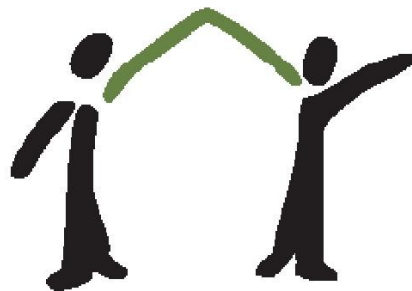

The average family in the United States makes \$44,000 per year. The average family in Honduras makes \$1,900 per year.

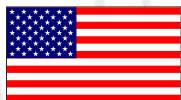

Up to 12% of all Honduran children live on their own on the streets, 75% of them are boys.

The **AJC Children's Foundation** is a not for profit, tax-exempt 501(c)3 organization. All donations are tax deductible as governed by law and go directly to the AHLE Orphanage and the surrounding village of San Francisco de Yojoa, Honduras.

Our mission is to support abused, abandoned and neglected children in Honduras. Our services include feeding, housing, formal education, job skills training and mentoring. We have partnerships with the international community created to empower the next generation to make a difference in their own countries, villages and homes.

Across the world, children need help...

Your one dollar a day can help a child out of poverty...

How your sponsorship helps

the boys

Your sponsorship will make an immediate and significant difference in the life of a boy who lives at our orphanage. Your monthly support will ensure that your child is fed, housed, clothed, educated and provided with other necessities such as medical and dental care. Your child will attend the public school and receive a backpack,

school supplies, uniforms and shoes. Our orphanage provides these boys with love, a sense of family and protection from the evils on the streets.

the girls

Your support will fund the education of your girl as she lives with her poverty stricken family. She will receive school supplies, a backpack and uniforms. Her family will receive a stipend to help support her basic needs and ensure her education.

What you receive

For just \$30 per month you can sponsor a child, either a boy or a girl. The life of that child will be significantly changed by your compassion, intervention and generosity.
