Hello!!!!!!

Hey Dr. Bob how are you???

I hope you are great, and I hope everything is good for you.

Im working in the hotel now, and I had a really surprise.

I knew an amazing people, Mr. Cristofer and Ms Marjorie, they are good people and are your friends, I was talking with them and they know all my history, waoooo was amazing. Im happy to met them. Today Moises is coming to take them to have a dinner. They are leaving tomorrow, but tomorrow I cant see them, so I wanned to write you something to you about me.

Im studing bussines administration and the university, im doing good.

I think in two years maybe is my graduation, you are invited.

I live bymyself in Barandillas colony, here in san pedro sula.

Im 23 years old now and im getting better every day. I work and study at the same time, is dificul but I have to do it. This a little bit about me.

I remember when I knew you, I was a little boy, you all the time are a really good person. Thanks for everything.

Remember when you gave me a game boy, you made me happy and I want to to tell you than you. I remember that always.

I remember you always Dr. Bob and the other people too...Diddy, Eleonor and the others. I would like to see you whe you are gonna be here next time.

Well im happy to write you some about me, and I just want to say hello to you.

And I would like to write sometimes this is my email geroninestroza@hotmail.com and my cellphone 99483740, call me when you need me.

Im on your service whenever you need it, Sincerily.

I wish the best for you Mr. Bob, God bless you always.

Att. Gerson Inestroza.
