Compasses

Protractors

Any other school items...

Every year, the AJC Children's Foundation sends a shipping container filled with school supplies and backpacks to provide all the educational supplies necessary for the boys in our orphanage, the girls in our scholarship program, and most of the children in the grade school in the village of San Francisco de Yojoa, Honduras.

Education is a primary focus of our Foundation. Your donation of school supplies will assist us in empowering Honduran children to a formal education that few are privy to.

Only 51% of Honduran children finish primary school.

Only 8% of Honduran children go to college.

If you are unable to collect school supplies, but would still like to help, you can send monetary donations to fund other educational expenses such as uniforms, text books, lab fees and field trips. AJC Children's Foundation is a 501c3 organization and all donations are tax-deductible to the extent allowed by law. Checks should be made payable to: *AJC Children's Foundation* and mailed to the address on this flyer or given to your AJC contact also on this flyer. For your records our Tax ID # is 65-0745178.
